### Guests and New Members

Tina \_\_\_\_\_, Mike O'Donnell's guest and prospective new member.  
Mark T \_\_\_\_\_, a fish biologist for the Spokane Tribe.

*Welcome!*

### Fishing Reports

Doug Schroeder recently caught Walleye and one other species at Richmond Lake in South Dakota.

Smiley reported on our recent club fish day at Potholes Reservoir. Gary and Nora Sweigert caught seven Walleye with one at 20." The north side shelf at 10'-30' was productive. Bob \_\_\_\_\_ fished the mouth of Potholes and caught Walleye and a large Bluegill.

### Spokane Arm map

Smiley reminded members of the great map that Greg Koch did and posted on our website — for members only — of the Spokane Arm.

### Video Recording of Guest Speakers

Smiley advised that we will be researching video cameras to use for recording our guest speaker presentations. These recordings will be posted on our website, for members only.

### Fall Campout — September 16-18, 2022

Smiley has reserved the group campsite at the Gifford Campground. Since the group site is small, the club will reimburse members for the cost of three nights at

individual campsites. Group events and campfires will be at the group site. Members are encouraged to get their reservations in early ([recreation.gov](http://recreation.gov)). Golden Age pass holders receive a 50% discount.

#### Remaining Club Fish Day

Our remaining scheduled club fish day this year is October 1st on the Snake River at the Texas Rapids campground. This is a long trip, so for members who will be camping over there is no charge — but this is dry camping.

#### Club Hats

Our latest order of 24 hats has arrived. The cost to members remains at \$15 each. Four were sold tonight.

#### August Meeting — BBQ — August 31st at 6:00 PM

Smiley volunteered to cook pork again this year. *Thank you, Smiley!*  
All other dishes will be pot luck. Members are encouraged to bring a side dish.

#### Christmas Banquet and Elections Meeting — reminder

December 7th at 6:00 PM at the INWC.

The board decided that since last year's event was so well received by the members with respect to the cuisine, service, and the pricing (which was subsidized by the club), that we will do the same thing again this year with the same caterer. Smiley will contact them to schedule will and report back with pricing, which has likely increased, and the club subsidy will be decided at that time.

Please plan on attending this most enjoyable and important meeting.

#### Speaker Presentation

Travis Scholten gave us an excellent presentation on fishing for big Walleye on the Snake River between Lyons Ferry and the Little Goose Dam, including the great spots and baits that he has been very successful with. *Thank you, Travis!*

#### Adjournment

8:25 PM
