## Our Mission Statements

The Spokane Walleye Club is organized to...

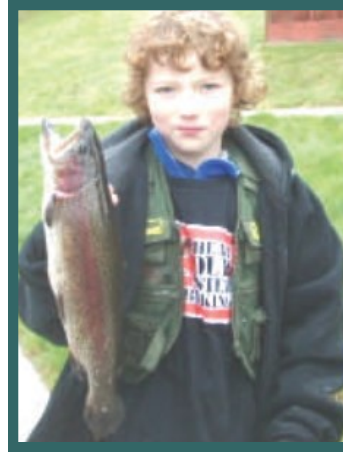

- Educate, encourage, and stimulate interest in angling for walleye and other spiny ray species.
- Seek cooperation with all other organizations or agencies with similar objectives.
- Encourage the observance and enforcement of all game laws.
- Educate the conservation of all fisheries and fight pollution in all waters.
- Provide family-friendly club activities.

## What is a Walleye?

The walleye is a member of the perch family. They have spiny dorsal fins, sharp teeth, a white tip on the tail, and large eyes. Walleyes can be olive, grey or gold in color. Most walleyes in Washington are between 14 and 20 inches, but can grow to 30 inches or more. The Washington state record is 19.3 pounds!!! Walleyes are great to eat, but the Spokane Walleye Club encourages selective harvest. Release the big females to ensure quality fishing for years to come.

## We Sponsor Kids Fishin'

## Community Service

- Donated time and money to the **Kids Fishin'** program held at Clear Lake in May each year.
- Assisted in **C.A.S.T. for Kids** taking special needs children fishing.
- Funded a \$1000 scholarship to Eastern Washington University's Biology Department.
- Funded the construction of gazebos at Kettle Falls, Hunters, and Spring Canyon Campgrounds on Lake Roosevelt.
- Donated \$5000 toward improvements to the Northport boat launch on Lake Roosevelt.
- Much more...see [www.spokanewalleyeclub.com](http://www.spokanewalleyeclub.com)
